

NetSarang Computer Version 8 Open Beta End User License Agreement & Privacy Policy

This license agreement and privacy policy applies to the Version 8 Open Beta version of NetSarang Computer Software and the tool used to install NetSarang Computer Software.

By downloading, installing, or using this beta software, you agree to be bound by this agreement. If you do not agree to all of the terms of this agreement, do not download, install, or use the beta software. The beta software is licensed to you solely for beta testing purposes. This software is in BETA, and as such, WILL CONTAIN BUGS AND MAY CAUSE DATA LOSS. You agree to use this beta software at your own risk.

License Agreement

Carefully read the following terms and conditions before using this software. Your use of this software indicates your acceptance of this license agreement. No component part of any version of NetSarang Computer Software may be distributed individually, disassembled, decompiled, copied, reverse engineered, or altered in any form. The beta software and its documentation is not to be distributed without prior written consent from NetSarang Computer, Inc. Charging or requesting donations for copies of this software or for distributing this software and/or documentation with other products (commercial or otherwise) is strictly prohibited.

License Grant

NetSarang Computer, Inc. grants to you, and you accept, a limited, non-exclusive and non-transferable license to use this software for a limited period of beta testing. You agree to use the software only as authorized in this License Agreement. This License Agreement does not convey to you any ownership rights or any other interest in the software. This software is licensed to be installed and used on only one unique PC. A separate copy of the beta software distribution package must be downloaded for each PC on which the software is to be installed.

Title and Copyright

The software (including any images, applets, photographs, animations, video, audio, music and text incorporated into the software) is owned by NetSarang Computer, Inc., or its suppliers and is protected by Korean copyright laws and international treaty provisions. Parts of this software may have been developed by a third party software supplier, which holds copyright and other proprietary rights to the software.

This software is licensed to you. You are not obtaining title to the software or any copyrights. You may not sublicense, rent, or lease the software for any purpose.

Terms and Termination

Your license to use NetSarang Computer Version Open Beta software will terminate at a date predetermined by NetSarang Computer, Inc. NetSarang Computer, Inc. may immediately terminate this license without prior written notice to you at any time and without liability of any kind. Use of this beta software after the beta period has expired is strictly prohibited.

Privacy Policy

NetSarang Computer, Inc. collects personal information that may be used to identify an individual during the use of our software. Personal information includes your IP address, your UID, and license key/type. Any information we collect is used only to help generate leads, assist in marketing purposes, or to confirm/enforce compliance with our licensing policies. We do not sell any information to any third party. Any information we collect may be combined with any other information we collect through either our website, publicly available databases, or through a third party. All information is stored on our servers and encrypted to prevent unauthorized access.

Disclaimer of Warranty
